

Small Group Leader Responsibilities

Daily

- Pray for your students
- Be in God's Word

Weekly

- Prepare by studying the Romans passage & listening to the weekly video
- Meet with your group on Wednesday night
 - Remind students of the Main Takeaway for the night. (Discuss Good Questions)
 - Ask the students to go over at least one of the discussion questions covered. Sometimes this will be you asking..."what questions stood and and challenged you tonight" or as you get to know your group well... choose things that apply
 - Go over the Reflection Questions in the Supporting Resources
 - Review Highs/Lows
 - Pray Together
 - Relax...don't spend the entire time being serious

Monthly

- Reach out to one student. This can be as simple as a phone call or as complicated as meeting them for coffee.
- Use first Wednesday nights to encourage your group members to invite others.

Three Times a Year

- Attend Leader Check In Nights.

Twice a Year

- Do something fun together: This has to do with vision for our student group and how I specifically approach student ministry.
